HEARING WAS POSTPONED

OWING TO INDISPOSITION OF STATE ATTORNEY DOOLITTLE.

No Receiver Yet For the Hollinger German Remedy Company—Suit Defaulted in the Common Pleas Court—Yesterday's Doings in the Several Courts.

In the superior court, civil side, yesterday afternoon the hearing on the appointment of a receiver for the Hollinger German Remedy company of Madison was postponed in consequence of the illness of State Attorney Doolittle, who is one of the counsel in the case. The concern, which recently applied for the appointment of a receiver, has a sanatorium for the cure of persons addicted to the use of liquor, which is located at Madison. The hearing was postponed until Monday afternoon at 2 o'clock. David C. Alden, cashier of the City bank, has been named as receiver, but opposition to his appointment has developed among the stockholders.

THREE DIVORCES.

Three divorces were granted by Judge Wheeler. Louis Seibert of Waterbury was given a decree from Margaret Seibert of Colchester on the ground of adultery. Nancy C. Kinney of South Norwalk from Alonzo Kinney on the ground of desertion and the custody of an eleven-year-old child awarded to the mother, and Charlotte A. Wolfe of Milford from Robert Wolfe of Hartford on the ground of intolerable cruelty. Mrs. Wolfe was also permitted to change her name to Charlotte A. Porter.

A CLAIM OF \$1,000.
Judge Wheeler also sustained the ruling of the commissioners of the estate of the late Maria L. Card disallowing a claim of Adelbert L. Foote of Bridgeport for \$1,000.

NAME CHANGED.

Luke W. Higgins was given permission to change his name to Luke W. Henderson, the latter being the name of his stepfather.

An order was also passed changing the name of the Bowditch & Prudden company to the Bowditch Furniture company on application of the corporation.

IN THE COMMON PLEAS COURT.

In the common pleas court late yesterday afternoon the suit of Patrick Doherty against Thomas McGowan for \$300 damages was defaulted and a hearing to determine the amount of damages which the plaintiff should receive will be held next Friday before Judge Studley. Doherty alleges in his complaint that last summer McGowan assaulted him in the latter's saloon and that he was injured to the amount of \$300, hence the suit.

FORECLOSURE.

Judge Studley also granted an order for foreclosure in favor of the plaintiff in the suit of James G. McAlpin vs. James Morris. The amount of the mortgage is \$50 and the property in question is located in West Haven.

FOR THE CRIMINALS.

The criminal side of the court of common pleas will come in next Monday at 10 o'clock, when a jury will be empaneled and the trial of the appealed cases commenced. Among the latter are a number of liquor cases from the city court.

CITY COURT—Criminal Side—Judge Callahan.

Henry H. Phillip, coach of the peace, continued until April 15; John Mulvey, reform school complaint, discharged; Frederick H. Pless, defaulting hotel keeper, nolle prosequi on payment of \$534 costs; Frederick Umack, burglary, continued until March 16; Moses Ratner, breach of the peace, nolle prosequi on payment of \$7.00 costs; Patrick Murphy, begging, sent to almshouse; James W. Grames, non-support, continued until April 15.

BROUGHT SUIT.

Richard D. Davis, the flour and feed dealer, yesterday brought suit against the Mallory Baking company through his attorney, W. P. Niles. The suit is brought to recover the amount of a bill for goods sold. Several horses were attached, and it was reported that the company is about to go into the hands of a receiver.

AN APPEAL TAKEN.

Attorney James T. Moran, as counsel for the defendant, has taken an appeal in the case of Caroline Bradley vs. the Southern New England Telephone company, which case was decided by a jury in favor of the plaintiff this week. The appeal has been taken to get from the supreme court a construction of the law in relation to the power of the selectmen over the relocation of telephone and telegraph poles and the trimming of trees along public highways.

TRUSTEE G. A. BUTLER WILL NOT SUE H. C. WARREN.

Judge Ralph Wheeler yesterday morning gave a decision upon the application of George A. Butler, trustee, for advice. Mr. Butler is trustee for the first mortgage bondholders of the Old Colony Distilleries company and he asked the court for advice upon whether he should sue Herbert C. Warren or some of the insurance companies in relation to the cancellation of insurance policies in the plan which occurred the day before the buildings were burned up. Some of the bondholders claimed that he should sue, and in order to have judicial sanction to his acts he went to the court and asked for directions.

Judge Wheeler yesterday filed the following: "The court having heard the parties upon the foregoing application, advises that the trustee bring no suit against Herbert C. Warren, named therein. Attorney may make a proper decree in form."

AN INTERESTING CASE.

An interesting case was argued yesterday before Judge Wheeler in the superior court. William A. Beers, the photographer of this city, while in Saratoga a year ago last summer was about to return and desired to travel by the Delaware and Hudson railroad to Albany and thence by boat to New York, and then over the New York, New Haven and Hartford railroad to New Haven. The porter of the hotel told him he could do so and still have his baggage checked to New Haven by the Boston and Albany road by way of Springfield. He did so, and the baggage was lost by the accident at Chester, Mass., on that road. Mr. Beers sues the Boston and Albany. The argument took place on the plaintiff's demurrer to the defendant's answer setting up a want of liability on the part of the Albany road because the plaintiff bought no ticket and paid no fare over that road. Messrs. Watrous and Buckland, for the road, contended there could be no liability unless there was a contractual relation between the plaintiff and the defendant. Judge L. E. Munson and E. P. Arvine, for the plaintiff, contended that if the Boston and Albany road received the baggage they were liable to some degree of care—not that of common carriers, but that of gratuitous bailees. Decision reserved.

Dr. Greene's Nervura

Guaranteed Purely Vegetable Blood and Nerve Remedy, and Harmless, is the Greatest and Best

Spring Medicine.

Are You Prepared for Spring?

It is necessary to prepare yourself for the advent of spring by taking a spring medicine. Use the remedy which cured Hon. J. P. Strickland, of 55 Taylor Street, Cleveland, O.

He was cured by Dr. Greene's Nervura Blood and Nerve Remedy.

How to Get Well and Keep Well.

Do You Feel Weak, Tired, and Nervous?

The wonderful cure of Mrs. J. M. Farley, of North Calais, Vt., will interest you.

"I had a scrofula sore on my breast," she says, "and very short of breath, and was terribly nervous. I commenced taking Dr. Greene's Nervura blood and nerve remedy, and soon perceived a wonderful improvement in my condition. The scrofula sore entirely disappeared, and my nervous health was greatly benefited. I think that it saved my life. My heart used to be so bad that my husband was obliged to jump up and go for the doctor in all haste, and he did not think I would be alive on his return. But this is now all gone, thanks to Dr. Greene's Nervura. I am as well as ever was, and as lively as a cat. Let all who are sick take this wonderful medicine."

Everybody Should take a Spring Medicine.

Read this and you will know what to use.

Mrs. Granville A. Sweetland, of 20 Miller St., West Quincy, Mass., tells you how you can be well and strong:

"I was troubled for a long time with sleeplessness, constipation, pain in the back, and great weakness and debility. I took Dr. Greene's Nervura blood and nerve remedy, and after taking four bottles it had helped me wonderfully. The pain in my back was relieved, I could sleep better nights, my constipation was overcome, and my skin was much clearer. I never could have done the work I have accomplished if I had not taken Dr. Greene's Nervura blood and nerve remedy. My father has it, and he thinks it benefits him more than any other remedy he has taken."

Is Your Blood Pure? Are Your Nerves Strong?

Mr. John Mather, of 433 Broadway, Lawrence, Mass., states:

"For years I was unable to do any work and suffered torture with the pains in my back. My nerves were in such a state that I could not hold of anything, as I could not keep it in my hands, but would drop it. I was very weak and trembling. I expected to die, and have no doubt but for the aid of Dr. Greene's Nervura blood and nerve remedy, I should have been in my grave. I began taking the Nervura, and at once noted the change. The pains left me and my nerves were greatly strengthened. Today I am a well man, and can do a hard day's work. I have the greatest faith in Dr. Greene's Nervura blood and nerve remedy. I heartily recommend it, and am confident that it will cure."

Dr. Greene's Nervura Blood and Nerve Remedy Cured Him.

Poor Pie

is responsible for many of man's (and woman's) physical woes—but the pie needn't be poor, and it may bring joy instead of woe. How? Use nothing but COTTLENE for shortening and the pie crust will be delicate, flaky, delicious, and so healthful that even a dyspeptic can eat freely of it and be comfortable. COTTLENE can't be equalled as a shortening, and is absolutely healthful. Genuine has this trade mark on every pail. Take no other.
